

# Eensy Weensy Spider

---

## Background

Set in the world of the massively multiplayer online game (MMOG) City of Heroes (CoH) where players take on the role of heroes, flying around fighting the bad guys and saving the ordinary people.

For more detailed information have a look at the web site for the game: <http://uk.cityofheroes.com/>

Stefan Richter is the real name of one of the main villains in City of Heroes called Lord Recluse.

## The Story

I quite fancied playing around with a bit of the myth and this is just an example of how a story can be told in so many different ways. In this case the story of how Lord Recluse came to be the man he now is.

Obviously the story is not really a good one to tell any child before they go to sleep unless you are a particularly nasty parent.

## Other Notes

The little girl lives in New England because all creepy things obviously happen in New England.

The style of the writing is deliberately toned down as it is meant to be written as a bedtime story for children.
